Important Note: Maximum limit per cash withdrawal is defined per ATM. This means the amount you wish to withdraw might be withdrawn in two or more transactions. You will be charged for every transaction. For example: if the ATM maximum limit per transaction is JOD 250 and you need to withdraw JOD 500, you will be charged for two transactions. To avoid such charges, you can use any Capital Bank ATM for free or use your cards to pay directly.

We're transparent and will always let you know before changing our fees!
